Julie,

It should be fine. We can seat ~34 in our conference room (18 at the table and 16 along the walls). At the moment I'm not sure of the in-person attendance head count as not everyone has responded and of those who did not everyone indicated if they were going to attend in person or via phone. Below is the current response/head count.

The Water Board would like to have a couple more people join the meeting in-person. Is there meeting space to add two more in-person participants?

Thanks,

Julie

Good morning Julie,

Our "consultants" from OEHHA would like to attend the meeting tomorrow in person rather than by phone. We would like them to come if it is OK with you and ARCO? If you can let me know this morning I will let them know.

Thanks!

Hi Cathe,

Jim and I were thinking we could go to the meeting tomorrow on 27<sup>th</sup> in person, if it is Rancho Cordova. Would that be OK you and the host?

It's just hard to hear sometimes over a conference phone.

I left you a phone message too.

Thanks!

Amanda
